## **OUTLINE PLANNING PERMISSION**

**TOWN AND COUNTRY PLANNING ACT 1990**

**THE TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE) (ENGLAND)**  
**ORDER 2015**

---

**Correspondence Address:**

Mr Steven Bainbridge  
The Northgate Business Centre  
10 Northgate Street  
Bury St Edmunds  
IP33 1HQ

**Applicant:**

Adam and Maree Clarke and Jacob  
33 Silver Street  
Norwich  
NR3 4TT

---

**Date Application Received:** 29-Mar-19

**Application Reference:** DC/19/01568

**Date Registered:** 05-Apr-19

---

**Proposal & Location of Development:**

Outline Planning Application (all matters reserved) - Erection of 1no. dwelling

Land East Of, Mill Green, Edwardstone, Suffolk

---

**Section A – Plans & Documents:**

This decision refers to drawing no./entitled 2019/0934 SP1 received 04/04/2019 as the defined red line plan with the site shown edged red. Any other drawing showing land edged red whether as part of another document or as a separate plan/drawing has not been accepted or treated as the defined application site for the purposes of this decision.

The plans and documents recorded below are those upon which this decision has been reached:

Defined Red Line Plan 2019/0934 SP1 - Received 04/04/2019  
Site Context Plan 2019/0934 SCP1 - Received 04/04/2019  
Visibility Splay Plan 2019/0934 VS1 - Received 04/04/2019  
Planning Statement - Received 04/04/2019  
Environmental Report and Questionnaire - Received 04/04/2019

---

**Section B:**

Babergh District Council as Local Planning Authority, hereby give notice that **OUTLINE PLANNING PERMISSION HAS BEEN GRANTED** in accordance with the application particulars and plans listed in section A subject to the following conditions:

1. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: TIME LIMIT FOR RESERVED MATTERS APPLICATION

Application for approval of reserved matters must be made not later than the expiration of three years beginning with the date of this permission, and the development must be begun not later than the expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates the final approval of the last such matter to be approved.

Reason - Required to be imposed pursuant to Section 92 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004

2. ACTION REQUIRED PRIOR TO COMMENCEMENT OF WORKS: PRE-COMMENCEMENT CONDITION: APPROVAL OF RESERVED MATTERS

Before any development is commenced, approval of the details of the appearance, scale and layout of the building(s), the means of access thereto and the landscaping of the site (hereinafter called "the reserved matters") shall be obtained in writing from the Local Planning Authority.

Reason - To enable the Local Planning Authority to secure an orderly and well designed development in accordance with the character and appearance of the neighbourhood and in accordance with the Development Plan. This condition is required to be agreed prior to the commencement of any development in accordance with proper planning principles to allow public engagement on the outstanding reserved matters and ensure no significant adverse harm results.

3. APPROVED PLANS & DOCUMENTS

The development hereby permitted shall be carried out in accordance with the drawings/documents listed under Section A above and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non material amendment following an application in that regard.

Reason - For the avoidance of doubt and in the interests of proper planning of the development.

4. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: SUBMISSION OF ECOLOGICAL REPORT AND BIODIVERSITY ENHANCEMENT STRATEGY.

Concurrently with the first submission of reserved matters a Preliminary Ecological Appraisal and Biodiversity Enhancement Strategy shall be submitted to and approved in writing by the local planning authority. The approved details including any recommended ecological enhancements and mitigating measures shall be implemented in accordance with the approved details and shall be retained in that manner thereafter.

Reason - To enhance Protected and Priority Species and allow the LPA to discharge its duties under the s40 of the NERC Act 2006 (Priority habitats & species) and paragraph 175 of the NPPF 2018.

5. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: SUBMISSION OF GROUND FLOOR LEVELS WITH RESERVED MATTERS APPLICATION.

Concurrently with the submission of reserved matters in respect of siting and/or design for the development, details of the proposed finished ground floor level measured from a fixed off site datum point shall be submitted for approval, in writing, by the Local Planning Authority, and the development shall thereafter be constructed in accordance with the approved levels.

Reason - In order to secure a design in scale with development surrounding the site so as to protect the visual amenities, amenity of neighbouring properties and character of the area.

6. ACTION REQUIRED PRIOR TO FIRST USE OF ACCESS: HIGHWAYS - PROVISION OF VISIBILITY SPLAYS

Before the access is first used details of visibility splays shall be submitted to and approved in writing by the Local Planning Authority. Visibility splays as may be agreed shall be provided prior to the first use of the access and thereafter shall be retained and maintained in the approved form. Notwithstanding the provisions of Part 2 Class A of the Town & Country Planning (General Permitted Development) Order 1995 no obstruction over 0.6 metres high shall be erected, constructed, planted or permitted to grow within the areas of the visibility splays.

Reason - To ensure vehicles exiting the drive would have sufficient visibility to enter the public highway safely, and vehicles on the public highway would have sufficient warning of a vehicle emerging to take avoiding action.

7. ACTION REQUIRED PRIOR TO COMMENCEMENT OF DEVELOPMENT - HIGHWAYS: PROVISION OF PARKING AND TURNING.

Prior to the commencement of development details of the areas to be provided for the loading, unloading, manoeuvring and parking of vehicles including secure cycle storage shall be submitted to and approved, in writing, by the Local Planning Authority. The approved scheme shall be carried out in its entirety before the development is brought into first use/occupied and shall be retained thereafter and remain free of obstruction except for the purpose of manoeuvring and parking of vehicles and used for no other purpose.

Reason - To ensure that sufficient space for the on site parking of vehicles is provided and maintained in order to ensure the provision of adequate on-site space for the parking and manoeuvring of vehicles where on-street parking and manoeuvring would be detrimental to highway safety to users of the highway. This condition is required to be implemented prior to the commencement of any other part of the approved development to ensure highway safety is secured early for the development. If agreement was sought at any later stage there is an unacceptable risk to highway and public safety should proper layout not be achieved.

8. ACTION REQUIRED PRIOR TO FIRST OCCUPATION OF DEVELOPMENT: REFUSE BINS AND COLLECTION AREAS

Prior to the first occupation of the development details of the areas to be provided for storage of Refuse/Recycling bins and any associated collection areas shall be submitted to and approved, in writing, by the Local Planning Authority. The approved areas shall be

provided in there entirety before the development is first occupied and shall be retained thereafter for no other purpose.

Reason: To ensure that refuse recycling bins are not stored on the highway causing obstruction and dangers for other users.

9. ACTION REQUIRED PRIOR TO COMMENCEMENT OF WORKS TO ACCESS:  
HIGHWAYS - SURFACE WATER DISCHARGE PREVENTION DETAILS REQUIRED.

Prior to the commencement of any works to the access, details shall be submitted to and approved in writing by the Local Planning Authority showing the means to prevent the discharge of surface water from the development onto the highway. The approved scheme shall be carried out in its entirety before the access is first used and shall be retained and maintained thereafter in its approved form.

Reason - To prevent hazards caused by flowing water or ice on the highway.

10. ACTION REQUIRED IN ACCORDANCE WITH A SPECIFIC TIMETABLE: AGREEMENT  
OF MATERIALS

No development/works shall be commenced above slab level until precise details of the manufacturer and types and colours of the external facing and roofing materials to be used in construction have been submitted to and approved, in writing, by the Local Planning Authority. Such materials as may be agreed shall be those used in the development and fully applied prior to the first use/occupation.

Reason - To secure an orderly and well designed finish sympathetic to the character of the existing building(s) and in the interests of visual amenity and the character and appearance of the area.

11. ACTION REQUIRED PRIOR TO COMMENCEMENT OF DEVELOPMENT: LANDSCAPE  
PROTECTION

No development shall be commencement until the existing tree/s and hedgerow/s on the site, agreed with the Local Planning Authority for inclusion in the scheme of landscaping, have been protected by the erection of temporary protective fences of a height, size and in positions which shall previously have been approved, in writing, with the Local Planning Authority prior to the commencement of development. The protective fences shall be retained throughout the duration of building and engineering works in the vicinity of the tree/s to be protected. Any tree/s dying or becoming severely damaged as a result of any failure to comply with these requirements shall be replaced with a tree or trees of appropriate size and species during the first planting season, or in accordance with such other arrangement as may be approved, in writing, with the Local Planning Authority up to first use or first occupation of the development, following the death of, or severe damage to the tree/s.

Reason - For the avoidance of damage to protected tree/s included within the landscaping scheme in the interests of visual amenity and the character and appearance of the area. This condition is required to be carried out prior to the commencement of any other development to ensure trees are protected early to ensure avoidance of damage or lost due to the development and/or its construction. If agreement was sought at any later stage there is an unacceptable risk of lost and damage to trees.

## 12. ON GOING REQUIREMENT OF DEVELOPMENT: TIMESCALE FOR LANDSCAPING

All changes in ground levels, hard landscaping, planting, seeding or turfing shown on the approved landscaping details shall be carried out in full during the first planting and seeding season (October - March inclusive) following the commencement of the development or in such other phased arrangement as may be approved, in writing, by the Local Planning Authority up to the first use or first occupation of the development. Any trees, hedges, shrubs or turf identified within the approved landscaping details (both proposed planting and existing) which die, are removed, seriously damaged or seriously diseased, within a period of 10 years of being planted or in the case of existing planting within a period of 5 years from the commencement of development, shall be replaced in the next planting season with others of similar size and species.

Reason - To ensure that the approved landscaping scheme has sufficient time to establish, in the interests of visual amenity and the character and appearance of the area.

### **SUMMARY OF POLICIES WHICH ARE RELEVANT TO THE DECISION:**

NPPF - National Planning Policy Framework

CS01 - Applying the presumption in Favour of Sustainable Development in Babergh

CS02 - Settlement Pattern Policy

CS11 - Core and Hinterland Villages

CS15 - Implementing Sustainable Development

CN01 - Design Standards

CR07 - Landscaping Schemes

### **NOTES:**

#### 1. **Statement of positive and proactive working in line with the National Planning Policy Framework (NPPF)**

The proposal has been assessed with regard to adopted development plan policies, the National Planning Policy Framework and all other material considerations. The NPPF encourages a positive and proactive approach to decision taking, delivery of sustainable development, achievement of high quality development and working proactively to secure developments that improve the economic, social and environmental conditions of the area. In this case the applicant took advantage of the Council's pre-application service prior to making the application. The opportunity to discuss a proposal prior to making an application allows potential issues to be raised and addressed pro-actively at an early stage, potentially allowing the Council to make a favourable determination for a greater proportion of applications than if no such service was available.

#### 2. **Condition Precedent Note**

This permission / consent includes a condition/s precedent. Your development is potentially at risk of enforcement if you do not comply with the terms of any condition which requires you to do something before you commence development / start work. Development which is commenced in breach of a condition is normally unlawful and may not constitute a valid implementation of the permission. We strongly advise you to allow reasonable time for the preparation, and consideration of, any conditional matters before the time limit on this applications expires.

3. Environmental Health at the District Councils should be contacted in the event of unexpected ground conditions / contamination being encountered during construction. The developer should be aware that the responsibility for the safe development of the site lies with them at all times.

Babergh and Mid Suffolk District Councils have adopted Community Infrastructure Levy (CIL) charging which affects planning permissions granted on or after 11th April 2016 and permitted development commenced on or after 11th April 2016. If your development is for the erection of a new building, annex or extension or the change of use of a building over 100sqm in internal area or the creation of a new dwelling or holiday let of any size your development may be liable to pay CIL and you must submit relevant documents to our Infrastructure Team telling us more about your development, who will pay CIL and when the development will start. You will receive advice on the amount you have to pay and what you have to do and you can find more information about CIL on our websites here:

[CIL in Babergh](#) and [CIL in Mid Suffolk](#) or by contacting the Infrastructure Team on: [infrastructure@baberghmidsuffolk.gov.uk](mailto:infrastructure@baberghmidsuffolk.gov.uk)

This relates to document reference: DC/19/01568

**Signed: Philip Isbell**

**Dated: 28th May 2019**

**Acting Chief Planning Officer  
Growth & Sustainable Planning**

## **Important Notes to be read in conjunction with your Decision Notice**

### **Please read carefully**

This decision notice refers only to the decision made by the Local Planning Authority under the Town and Country Planning Acts and DOES NOT include any other consent or approval required under enactment, bylaw, order or regulation.

**Please note: depending upon what conditions have been attached to the decision, action may be required on your part before you can begin your development.** Planning conditions usually require that you write to the Local Planning Authority and obtain confirmation that you have discharged your obligations. You should read your decision notice in detail and make a note of the requirements placed on you by any conditions. **If you proceed with your development without complying with these conditions you may invalidate your permission and put your development at risk.**

### **Discharging your obligations under a condition:**

You should formally apply to discharge your conditions and the relevant application forms are available on the Council's website. The Local Planning Authority has 8 weeks to write to you after you submit the details to discharge your conditions. You should always account for this time in your schedule as the Local Planning Authority cannot guarantee that conditions can be discharged quicker than this. A fee is applicable for the discharge of planning conditions.

### **Building Control:**

You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control Section of Babergh and Mid Suffolk District Councils.

## Appeals to the Secretary of State

1. If the applicant is aggrieved by the decision of the Local Planning Authority to refuse permission or consent, or to grant permission or consent subject to condition, they may appeal to the Secretary of State for Communities and Local Government. The applicant's right of appeal is in accordance with the appropriate statutory provisions which follow:

Planning Applications: Section 78 Town and Country Planning Act 1990

Listed Building Applications: Section 20 Planning (Listed Buildings and Conservation Areas) Act 1990

Advertisement Applications: Section 78 Town and Country Planning Act 1990  
Regulation 15

Town and Country Planning (Control of Advertisements) Regulations 2007

Notice of appeal in the case of applications for advertisement consent must be served within eight weeks of receipt of this notice. Notice of Householder and Minor Commercial Appeals must be served within 12 weeks, in all other cases, notice of appeal must be served within six months of this notice. If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within six months of the date of this notice, whichever period expires earlier.

Appeals must be made on a form which is obtainable from The Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or online at <https://www.gov.uk/government/publications/modelnotification-notice-to-be-sent-to-an-applicant-when-permission-is-refused>

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he/she will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him/her that permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by it, having regard to the statutory requirements\*, to the provisions of the Development Order, and to any directions given under the Order. The Secretary of State does not in practice refuse to entertain appeals solely because the decision of the Local Planning Authority was based on a direction given by him/her.

2. If permission or consent to develop land or carry out works is refused or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State and the owner of the land claims that the land has become incapable of reasonable beneficial use by the carrying out of any development or works which has been or would be permitted they may serve on the Council of the district in which the land is situated, a purchase notice requiring the Council to purchase his interest in the land in accordance with the provisions of Section 137 of the Town and Country Planning Act 1990 or Section 32 Planning (Listed Buildings and Conservation Areas) Act 1990.

\*The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70 and 72(1) of the Act.
