1. Apologies for absence – T Wood

2. Councillors' Declarations of Interest - None

3. Reports from Suffolk County Council and Babergh District Council:

3.1. Councillor James Finch on behalf of SCC reported the following:

Covid19 – Hopefully, a corner had been turned with numbers of positive tests reduced to 26 over the previous 7 days. Councillor Finch suggested Stoke-by-Nayland Hotel be used as a vaccination centre. This suggestion was welcomed by the Chairman.

Police proportion of Council Tax precept was proposing more officers for Suffolk. A public survey on this proposal was taking place until 28 January.

Primary School Applications – Deadline had now passed but parents should still apply if they hadn't yet done so.

Funds had been allocated to Boxford Food Bank to help families affected financially by the pandemic. Suggestions of families in need should be passed on to Father Rob at St Mary's Church, Boxford.

Virtual Fostering and Adoption sessions were continuing but sadly some families had withdrawn due to the pandemic.

3.2. Councillor Bryn Hurren on behalf of Babergh District Council reported the following:

Council staff were working hard to provide a good service to the public. Housing staff in particular were under a lot of pressure.

Leisure centre at Sudbury and Hadleigh Swimming Pool were now ready for use but unable to open at present due to the lockdown. BDC was supporting both premises through grants and loans.

BDC was attempting to introduce increased parking charges across the district. This would particularly affect Hadleigh and Sudbury where parking was currently free for up to 3 hours. The proposal was to reduce this to ½ hour free with a sliding scale of charges thereafter. Councillor Hurren, with the support of a number of other District Councillors had suggested a free period of at least an hour and a delay in introducing the new rates until 2022.

The Committee supported this suggestion and agreed to write to BDC.

BDC switching to Biofuel for its fleet of refuse collection vehicles in an effort to reduce emissions and maintenance costs.

Still no decision on whether the local elections would take place in May, but it was expected that they would be delayed until July or September.

Christmas House Planning Issue – Fence replaced after retrospective planning permission sought but had been refused on Heritage Grounds. EPC had previously supported the planning application.

4. Reports and questions from Councillors and Members of the Public - None

5. Minutes of the Meeting of 16 November 2020 – approved with one amendment. Item 7.2 Elm Cottage should read ' The Council raised no objection to this application'.

6. To consider Highway and Footpath matters

6.1 Footpath Cutting – P Baker presented a proposed schedule of footpaths to be cut following discussion with S Norman and T Wood. The new schedule differed slightly from the one used previously by SCC but better reflected current circumstances. P Baker also presented a draft tender document which would be sent to interested contractors. There was a discussion over the Public Liability aspect of the tender document as it was suggested it should include a clause that staff carrying out the work

should have a suitable level of training and competence. P Baker to discuss with Claire Dixon at SCC and then circulate revised documents for approval.

6.2 Footpath Leaflet – Progress being made. T Wood had been liaising with Nick Bristow and was due to have a zoom meeting with him and Pier Roberts from Groton PC on 19 January to link the Groton and Edwardstone paths.

6.3 Other Highway and Footpath matters – Broken footbridge on Footpath 5 now extremely dangerous and becoming unusable. S Norman to send information to Councillor Finch to take up the matter. Footpath 6 way marker rotted away. To be reported online.

7. Neighbourhood Plan Update

M Gibson reported that he had spoken to Councillor Hurren and Jonathon Ralph, Chair of Aldham PC, who had led on its plan and two consultants; Ian Poole and Andrea Long (Compass Point Planning), who produced the plans for Aldham and Boxford respectively. He had also produced a letter which he and P Baker delivered to every property in the Parish. So far, the letter had produced 6 responses, all in favour of producing a Neighbourhood Plan. The next steps were to fill in an online form to gain approval from BDC, speak to and select a consultant and apply for funding from the Government. M Gibson and P Baker to lead on moving forward with help from Councillor Hurren and D Williams. Councillor Hurren to put M Gibson in touch with the relevant BDC officer. EPC website to be used to publicise updates. M Gibson to provide the Clerk with an invoice for printing costs of letters to residents.
