Plug in Suffolk Community Grant Scheme – Initial Expression of Interest

Suffolk County Council is prioritising projects that demonstrate the greatest benefit to the local community. To avoid applicants wasting time on applications that will not be successful, all enquiries are being asked to complete a brief Expression of Interest. This will then be assessed by the Grants Panel. Suitable projects will then be supported to complete a full application.

We hope you will find it quite easy to complete, but if you have any questions, please call Peter Frost, 01473 260710 or email Peter.Frost2@suffolk.gov.uk

Please return your completed, signed form and supplementary documents to:
Peter Frost, Environment Strategy Team, Suffolk County Council, Floor 5 Gold Block, Endeavour House, 8 Russell Road, Ipswich IP1 2BX or by email to Peter.Frost2@suffolk.gov.uk

Name of your organisation:

| | | | |
|--|--|----------|--|
| Main Contact Person (details that will be used for correspondence purposes) | | | |
| Title | | Forename | |

About the project you are seeking a grant for:

Please give a brief description of the reason for wanting an EV charger, where you consider the EV charger could be installed and how you would promote it to maximise use at this location?

Please answer all the following questions:

Will there be public access to this charging point? Yes / No

Do you own the land on which the charging point is being installed? Yes / No
If you are not the landowner, please tell us who the landowner is (you must provide evidence of who the landowner is and their confirmation of permission for installation with the application)

Have you already had a quote for installing an EV charger? Yes / No

If so, how much was the quote (please provide details if possible)?

£

Installer details:

Do you have a target date to install the EV charging point? If so what is it?
